PROJECTS

L'Artiste

Designed and developed a fully responsive full stack React app with authentication. The app implements a drawing canvas to allow users to create and display their artwork in a gallery of their choice. Link to Github repository: [L'Artiste Repo](#)

Spaced Repetition

Designed and developed a fully responsive full stack React app with authentication. The app allows users to learn a foreign language by utilizing an algorithm to implement the spaced repetition learning technique. Link to Github repository:

[Spaced Repetition Repo](#)

Sprout

Designed and developed a fully responsive full stack React app with authentication for two types of users: teachers and students. Sprout is a formative assessment tool used to help teachers deliver specific, goal-oriented, and timely feedback in the classroom. Through the implementation of Socket.io, teachers can create goals and provide feedback for their students in real time. Link to Github repository: [Sprout Repo](#)

EXPERIENCE

Thoughtful, Full-Stack Engineering Immersion

October 2019

Web Developer Apprentice

- Learned industry best practices and practical software development standards with a focus on HTML5, CSS3, JavaScript, jQuery, Node.js, React and algorithms & data structures.
- Created and deployed mobile-first applications while learning new languages and frameworks by collaborating several hours every week with a senior web developer.

CDS Monarch/ Prime Care Coordination

Oct. 2018-March 2019

Care Coordinator

- Served individuals with intellectual and developmental disabilities
- Managed a caseload of over 30 clients
- Utilized strength-based and person-centered interventions
- Provided care coordination and connected clients to community resources
- Supported clients in identifying and developing treatment goals
- Charted and recorded progress notes via electronic medical records

North Shore Child and Family Guidance Center

Sept. 2017-May 2018

Social Work Intern

- Counseled children and adolescents with mental health issues, learning disabilities and developmental disabilities
- Provided individual, group and family psychotherapy
- Utilized CBT, solution-focused and strength-based interventions
